Bike racing for everyone!

26 different race categories from Juniors to Masters, Cat. 5 to Cat. 1, Public, Women's categories, Merckx categories (road bike), Recumbent, Tandem, Challenged Athlete and more!

USAC Racing License is not required to race. On special race dates, race either the 40 kilometer distance (training for championships!) or the 20k distance.

The out-and-back course covers rolling hills, fast descents and flats, and a challenging climb back to the finish. The quiet farm road is newly repaved, making it super smooth and very fast.

Racer check-in is one hour before race start time.

The Piru Time Trial offers a friendly race environment for the beginner racer or the very serious, and everyone in between!
