

New Year's Holiday Ride
Monday, December 31, 8am
RIDE Cyclery

The SPY New Year's Eve Holiday RIDE will be a completely different RIDE. It will start at 8am on Monday, December 31st at RIDE Cyclery, but won't be rolling along any of the usual routes. This one will be a fun surprise for all. You'll be HAPPY to sit on your saddle and enjoy the route with the worry of being left

We want to take this day to give thanks for the wonderful friendships cycling has afforded us and to celebrate the wonderful and world class riding terrain we have in our back yard. So, this RIDE will be anything but a race. We want to enjoy a unique, surprise course that will take us all on a journey together. No hammering. Just good times for all. The course will traverse interesting and fun roads, some of which you will have never ridden before. We encourage riders of all abilities to join us, as we will have two different length courses, with an early turn around option for those with limited time. The full ride will take about 4 hours, and the short ride about half that.

We want to get as big a group as possible from all areas of SD to come celebrate with us.

We think getting all of us together for a nice time together on the bike is the best way to ring in the new year (we can also sleep in on January 1)!

Thanks to all of you for making 2012 a great year and we look forward to an even better one in 2013.
